ON THE RACK

A willing Terryl is brought into the dungeon and shown the delights of the post and the rack. Her master puts her to the test taking her limits higher than she thought possible. The hood that hides his face makes the danger all that more exciting as he whips and taunts her into submission.

BOUND DEBUTANTE

Cynthia, the haughty deb, is captured by a longshoreman and taken to a warehouse for some lessons in satisfying a man's desires. Helpless to resist, she finds a strange release in being a captive against her will. Things come to Cynthia that she didn't realize were there.

Cynthia's responses to her captor's hands and mouth surprise even the longshoreman. . . the situation builds to a very hot climax!

RED, HOT BONDAGE

Sharon Montgomery, star of *CURIOSITY EXCITED THE KAT* and *SWEET NIGHTMARES*, plays Darla, a demanding bitch who's taught a lesson by Sam, a hard hat who's into hard bondage. Well-placed ropes teach Darla a lesson she's going to remember for a long time to come.

LOTS OF DANGER, EXCITEMENT AND EROTIC B&D!

SWEET NIGHTMARES

Over a leisurely dinner, Zackery and Kay discuss their fantasies of Bondage and Discipline. They imagine people at other tables ... even their own waiter ... in their daydreams. Each imagined situation comes powerfully into reality in their minds ... each so real that it is difficult to separate the imagined from the reality of their quiet dinner in an elegant restaurant!

CAUGHT

JUST WHEN YOU THOUGHT YOU'D ESCAPED ...

Denise looks down at her helpless slave and relishes the fact that she is rich and powerful ... and soon to be richer and more powerful ... just as soon as she finishes the swindle she is planning on her husband! Little does she know that the photographer she just hired will find out and tip her husband off. And little does she know that her husband knows how to punish ... and torture ... and torment ... better than she!

INTERROGATED

Shanna, an agent from Nagaya, is interrogated by a member of the rebel forces. Her posing as an American journalist is quickly uncovered through harsh interrogation methods and strong use of the whip. Shanna's body is played like an instrument by a skillful interrogator.
